ABOUT MY CAREER

With over 10 years in freelancing, I've worked with clients worldwide, offering WordPress design, maintenance, and digital marketing to build their online presence. I'm passionate about SEO, client education, and hands-on learning, always eager to take on new challenges. Currently as an entry level web developer passionately learning web programming.

WORK EXPERIENCE

FREELANCE WORDPRESS WEB DESIGNER & WEB ADMIN 08/2014 - Present

Fiverr, Local 9 Marketing-US, MDQ 33-Australia, YouBelongFineArt - US, YouthVille
I've been working part-time in WordPress web design, maintenance, migration, and SEO, primarily using Divi and Elementor Pro for site design and Figma for prototyping. My experience includes developing both static websites and eCommerce sites using WooCommerce and Shopify.

WORDPRESS WEB DESIGNER AND DIGITAL MARKETER 06/2021 - PRESENT

10X Flow SEO, USA – Full Time Freelancer
Designing and redesigning WordPress websites for clients, managing content publishing with on-page SEO, and overseeing technical SEO fixes. Responsible for GBP optimization, Google Ads management, and SEO data analysis using tools like Search Console, Ahrefs, and Google Analytics. Regularly produce reports with Google Looker Studio, identify trends, and provide strategic recommendations to the team.

BUILDING AND RUNNING OWN ECOMMERCE STRUTUP 06/2011 - 01/2014
